In Hastings:

If you're at the pier looking out to sea we are 400 metres along the seafront to the right (west) of the pier, between the pier and Warrior Square.

From London:

Exit the M25 at junction 5 - follow signs for Sevenoaks and then pick up signs for Hastings A21 travelling south. Stay on the A21 all the way to Hastings. Follow signs for St Leonards-on-Sea Town Centre and Seafront. When you get to the seafront at Warrior Square, turn left onto the seafront and the hotel is 100 metres on the left - if you get to the pier you have gone too far (see - **"In Hastings"** above).

From Brighton / The West Country:

Follow the A27 until it becomes the A259 at Polegate. Come past Eastbourne and Bexhill. Stay on the seafront, when you get to Hastings. If you get to the pier you've gone too far (see - **"In Hastings"** above).

From Ashford / Dover

There are a number of different routes to choose from. We recommend joining the A2070 at Ashford, travelling south through Brenzett where the road becomes the A259 to Rye and then on to Hastings. (see - **"In Hastings"** above).

By rail from London:

Hastings is served by direct trains from Charing Cross and Victoria main line stations. Alight at St Leonards Warrior Square. Cross the foot bridge and take a taxi from there.
